### Who can join?

To join **Clover Health Premier (PPO) (plan 054)** or **Clover Health Valor (PPO) (plan 061)**, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, and must live in the service area of the plan.

### What do we cover?

Like all Medicare health plans, we cover everything that Original Medicare covers – and *more*. Plans may offer supplemental benefits in addition to Part C benefits and Part D benefits. Some of the extra benefits are outlined in this booklet.

Part D drugs **are not** covered for **Clover Health Valor**.

We cover Part D drugs for **Clover Health Premier**. In addition, we cover Part B drugs including chemotherapy and some drugs administered by your provider.

- You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website, [www.cloverhealth.com/formulary](http://www.cloverhealth.com/formulary).
- Or, call us and we will send you a copy of the formulary.

For coverage and costs of Original Medicare, look in your current “Medicare & You” handbook. View it online at [www.medicare.gov](http://www.medicare.gov) or get a copy by calling 1-800-MEDICARE (1-800-633-4227). TTY/TDD users should call 1-877-486-2048.

### How will I determine my drug costs?

Our plan groups each medication into one of five “tiers.” You will need to use your formulary (Drug List) to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug’s tier, what pharmacy you use, and what benefit stage you have reached. Later in this document we discuss the benefit stages that occur: Deductible Stage, Initial Coverage, and Catastrophic Coverage.

**If you have any questions about this plan’s benefits or costs, please contact Clover Health.**
